Thank you for your interest in supporting the second annual Fresno Unified School District Latinx Recognition Celebration! Thanks to the generosity of community members like you, the 2024 event will be a resounding success.

As you may know, the 2023 event was a first for Fresno Unified and was student driven. As an organization that works diligently to serve individuals, families, and youth, we were truly inspired to see Latinx student organizations from local high schools develop and implement this essential event.

The inaugural event drew nearly 400 local high school seniors, and nearly 3,000 attendees (the seniors not included) to the stadium at McLane High School.

We now have an opportunity to build and grow the event for 2024. Fresno Unified School District has entrusted this task to Education and Leadership Foundation (ELF), who will lead all efforts for 2024 in collaboration with existing stakeholders (student organizations, Fresno Unified, funders, etc.).

ELF is proud to shepherd the process, and to support a community that continues to trust and believe in our organization.

We anticipate a marked increase in participants and attendees for 2024, and sincerely hope we can count on your support.

Attached are several sponsorship opportunities, and we are confident that our vision for the event, paired with your generosity, will ensure we can put on the best possible event for students and their families.

On behalf of the students and their families, we sincerely thank you for your commitment to Latinx students in Fresno Unified School District. We look forward to partnering with you for the 2024 event!

In Appreciation,

Matias Bernal
